- Success Payment

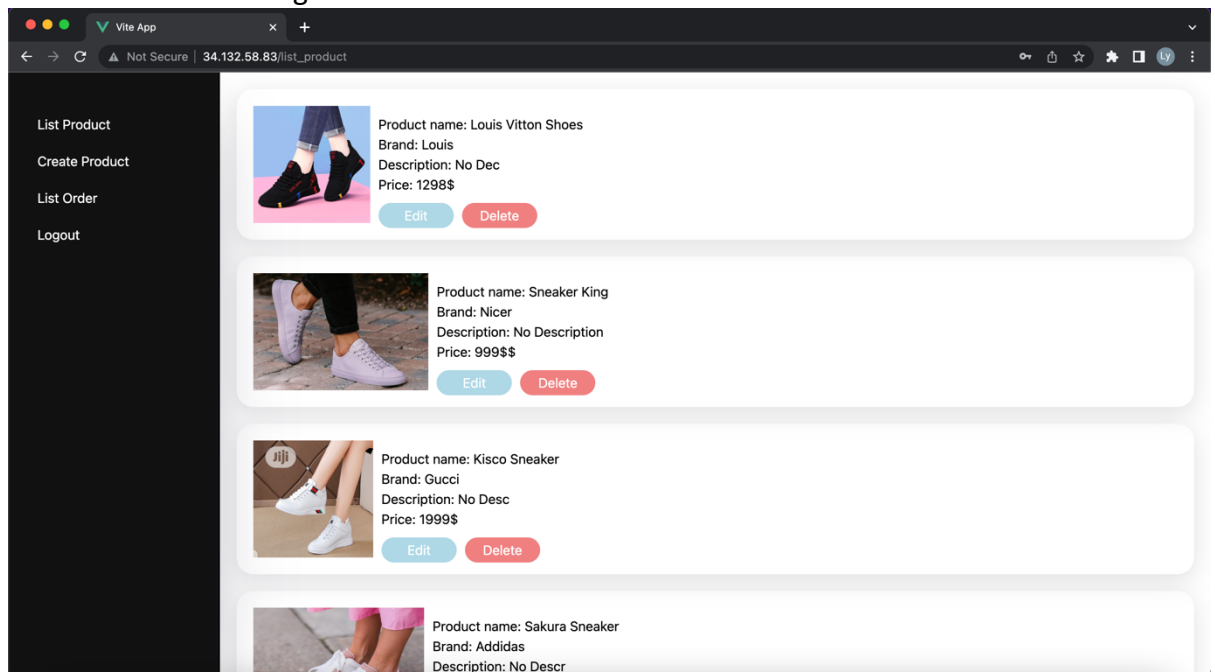

The screenshot shows the same "JEANIA SHOP" page after a successful payment. A large white modal box with a green checkmark icon and the text "Purchase succesful ..." is centered on the screen. The background is dimmed, showing the same form fields as the previous page, but with some placeholder text like "sasa@gmail.com", "asdsad", "sadasd", "123214 12213", "cd", and "1231". The "Make Purchase" button is still visible at the bottom right. The red notification message "The deliver will email once product arrived" remains at the top right.
